

PERSONAL ACT OF ENTHRONEMENT OF CHRIST THE KING OF POLAND

O Lord, our God, You are the Holiest King and Ruler of all nations. You are also the King of Poland. You, Jesus Christ, our Nation already unconsciously proclaimed King of Poland in 1656 by the act of the Vows of Lwów, when through the lips of King John Casimir, our fathers have chosen the Mother of God as Queen of Poland.

I, present here today, kneeling before this image (figure), recognize You as King of the Universe and King of Poland. For whatever exists has been created for You. Carry out over me and over Poland all Your laws. I commit to use all my strength, My King and King of Poland, so that may triumph on this earth all Your Divine laws and the laws of Your Church.

Our King, who deserves the deepest reverence, I bow before You and ask for Your Kingdom to be recognized over the entire globe and in our Homeland, and so in that way may be perpetuated the reign of Your peace. Amen. So help me God.
